Spring into the Season with Chip!

The Spring season has started, and Chip is ready to hit the soccer field! But before he can, he needs some gear!

Q: Chip needs some new tennis shoes and a new soccer ball. He's saved up \$35, and saves \$5 each week. If he needs \$50 to buy both the shoes and soccer ball, how many weeks will Chip have to keep saving?

A: 3; Chip will add \$15 more over that time. That \$15, plus the \$35 he already has saved, will add up to the \$50 for the gear he needs.

Share your ideas with Chip - but get your parents' or guardians' permission first. Chip loves getting emails at chip@itcu.org!

You've completed the games, now get a bonus stamp on your savings card! Submit your eNewsletter answers/coloring to an InTouch Credit Union branch. Or, mail to: **InTouch Credit Union, Member Care, P.O. Box 250169, Plano, Texas 75025.** Or, scan and email to chip@itcu.org.
