School's Out — Have fun in the Sun this Summer!

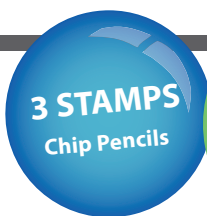

Staying cool in the summer sun can be tricky, but Chip has some helpful advice for our readers to make the most of their summer vacation! Be sure and share these with your parents or guardians:

- Put on sunscreen whenever you're outdoors, but especially at the swimming pool or beach.
- Always swim with friends or family members.
- Wear sunglasses that protect your eyes whenever you are outside.
- Make sure to stay hydrated with regular water breaks.

Chip's Challenge: Ask your parents if you can work around the house to earn extra money so you can treat yourself to something fun before school starts again!

Share your ideas with Chip - but get your parents' or guardians' permission first. Chip loves getting emails at chip@itcu.org!
