Tips to Stay Cyber Safe

Have you ever used a tablet or phone to play games online or watch YouTube? If so, you should always have your parent or guardian with you.

Chip wants you all to stay safe on the Internet, and has prepared the below list of safety reminders for when you and your family are online:

- Never share any information online with anyone you do not know.
- Never click any links you do not recognize.
- Never open any emails from strangers.

Share your thoughts, ideas or questions with Chip but be sure to get your parents' or guardians' permission first. You can send Chip a letter to PO Box 250169, Plano, TX 75025 or an email at chip@itcu.org! Chip looks forward to hearing from you!
