

Force-deleting Direct Connect Bill Pay transactions in QuickBooks for Windows

1. Make a backup first.
2. Select the Payment in Bank Feeds
3. Hold down the CTRL and click the Delete button on the bank feeds window.
4. Hold CTRL as you answer about 5 messages and click OK or Yes through all of them.
5. Then hold CTRL and click the Delete button on screen again.
6. Hold CTRL and click OK or Yes to the 2nd set of messages.
7. The payment will be deleted from QB permanently.
